

March 25, 2009

Federal Communications Commission  
Office of Engineering and Technology  
Equipment Authorization Division  
7435 Oakland Mills Road  
Columbia, Maryland 21046

**Cover letter for FCC ID: W4LNT0001**

Pursuant to IC regulation, the Applicant hereby requests Limited Modular Approval.

There are four host devices of which this module is used.

These host devices are electrically identical. The differences between each device are as follows:

Brand	Model number	Modification from Nivo3.M
Nikon	Nivo3.M	-
Nikon	Nivo5.M	Angle precision
Trimble	TS635	Angle precision Enclosure color (Yellow)
Spectra Precision	FOCUS4	Angle precision Enclosure color (Blue)

Sincerely,

Yoshikazu Narasawa
